

Dear Santa;

My friends and I would like to tell you what we would like for Christmas this year. We are 10 years old or less. We've been VERY GOOD All Year!

Babies need diapers, sleepers, blankets, baby toys, clothes and bath supplies.

Little Boys would like anything Spiderman, Batman, Superman, Transformers, Toy Story, Hot Wheels, Thomas the Tank Engine or any other action figure, cars and trucks like Tonka, sports gear and snow toys too!

Little Girls would like dolls (baby or bigger), doll furniture like carriages or high chairs, Strawberry Shortcake, shopping carts and food, playing house things, Barbies and clothes both for Barbie and the girl herself.

Both girls and boys like simple Lego sets, DVDs, VHS (Disney is good choice) and easy to play games like "Snakes & Ladders", simple craft kits, colouring supplies or easy to read books.

Bigger boys like sports gear, snow toys, science toys such as microscopes, chemistry sets or model kits.

Bigger Girls like beginner makeup kits, bath supplies, Barbies, collector dolls or clothes.

Both girls and boys like games such as Monopoly, DVDs/VHS (not adult please), puzzles, anything electronic, CDs or books and craft kits and supplies.

Anything else you have in your sack would be wonderful. I am sure you know what we would like to have for Christmas this year and every year!

I hope you have a good trip around the world.

With love,

Your little friends at  
MacDonald Farm Public School

PS – Please say Hi to Rudolph from everyone here.
